

Accessibility Statement – S3 Optistart Consulting

Last Updated: January 2026

At **S3 Optistart Consulting**, we are committed to ensuring digital accessibility for people of all abilities. We strive to make our website www.optistartconsulting.com accessible, usable, and inclusive for all visitors.

Our Commitment to Accessibility

We continuously work to improve the accessibility and usability of our website, guided by the principles of:

- Equal access
- Inclusive design
- User-friendly navigation

Our goal is to ensure that all users, including individuals with disabilities, can access information about our services and engage with our content effectively.

Accessibility Standards

We aim to conform, as far as reasonably possible, with:

- **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA
- Applicable accessibility best practices supported by the Wix platform

These guidelines help make web content more accessible to people with visual, auditory, motor, and cognitive disabilities.

Accessibility Features on Our Website

Our website includes the following accessibility-friendly features:

- Clear navigation and consistent layout
- Readable fonts and sufficient color contrast
- Descriptive headings and structured content
- Keyboard-navigable elements where supported
- Responsive design for different devices and screen sizes

We continue to enhance these features as part of ongoing website improvements.

Limitations & Third-Party Content

While we strive to ensure full accessibility, some content may not yet be fully adapted to all accessibility standards due to:

- Third-party tools or integrations
- Legacy content
- Platform-specific limitations

We are actively working to identify and address these areas.

Feedback & Assistance

We welcome your feedback on the accessibility of our website.

If you experience any difficulty accessing content or need assistance, please contact us:
